

The logo features a stylized, abstract graphic in the center. It consists of a large, dark blue shape with white and red outlines, resembling a stylized 'T' or a flame. This central shape is surrounded by several yellow, curved, flame-like or motion-like strokes. The entire graphic is set against a red background that has a slight wavy, torn-paper effect at the top and bottom edges. Below the graphic, the letters 'tcl' are written in a white, lowercase, serif font.
